#### **4 Closing the bonus account**

- 4.1 After the bonus period is over, the bonus funds of 111 USD are automatically charged off of the Client's bonus account.
- 4.2 After the bonus period, trading on the bonus account is not available.
- 4.3 The profits earned with the bonus funds are fixed and saved in the Personal Area. The Client can withdraw it to the USD wallet or a real active trading account after executing the required trading volume.
- 4.4 The profits earned on the bonus account are the sum of money left on the account after the bonus funds of 111 USD are charged off.
- 4.5 The trading volume (i.e. lots) required for withdrawal is calculated with the formula: the profits earned on the bonus account / 3. (1 lot on a Cent account = 0.01 lot on a Standard and Pro account.)

#### **5 Withdrawals**

- 5.1 The withdrawals are available after executing the required trading volume on a real account.
- 5.2 The profits are withdrawable starting from the next calendar month after the end of the bonus period.
- 5.3 The sum available for withdrawal depends on the number of traded lots in the previous calendar month. The calculations update on the fourth day of every month.
- 5.4 In the first and later calendar months after the promotion, the calculation includes only the lots traded on a real account after the seven days of the bonus period, when the bonus account was closed.
- 5.5 The lots executed on a real account during or before the bonus period are not included in the withdrawal calculations for the profits earned on the bonus account.
- 5.6 The withdrawable sum is calculated with the formula: number of lots executed in the previous month \* 3.
- 1 lot on a Cent account = 0.01 lot on a Standard and Pro account;
  - If the cost of 1 lot on Stocks, Crypto, Indexes, Energies, and Index instruments is equal to less than \$100,000, the lot calculation is as follows:  $1 \text{ lot} * \text{Contract size} * \text{Price in USD} / 100,000$ ;
  - When closing positions using 'Close by', the trading volume for such transactions is calculated as half of the volume of each position.
- 5.7 The profits are available for withdrawal to a USD wallet or real active account of the Client on the fourth day of each month, in accordance with the executed trading volume after the bonus period ends.
- 5.8 There is no time limit to execute the required volume of lots.
- 5.9 The current information about the profits withdrawal and history of payments is displayed in the Personal Area.

## **6 Other conditions**

6.1 The Company reserves the right to disqualify the Client if they do not comply with the Terms and Conditions of the promotion or the Company suspects any fraudulent activities on the bonus account.

6.2 In the case of fraud, the Company may charge off the bonus of 111 USD and the profits earned with the bonus funds without warning. The Company's decision is executed without appeal.

6.3 By participating in the promotion, the Client agrees to the described Terms and Conditions.

6.4 The Company reserves the right to:

6.4.1 Change the Terms and Conditions of the promotion at any time with no prior notification.

6.4.2 Close the promotion anytime per the Company's unilateral provisions.

6.4.3 Use and publish the information related to the Client's account for promotion purposes.

6.4.4 Ask the Client to log in to the trading account from an alternative device in case additional verification is needed.

6.4.5 Demand a verification in the Personal Area from the Client for them to receive the bonus.

6.4.6 Settle disputes. The Company's decision is final and not subject to appeal.

6.5 In case a client intentionally misuses the negative balance protection compensation while trading during the bonus promotion period, the company reserves the right to deduct the debt from the bonus profit.
