

Headway Giftshop

1. General terms

1.1 Headway Giftshop (hereinafter the “Promotion”) is a promotion by Headway (hereinafter the “Company”) where clients trade lots and collect reward scores (hereinafter the “Crowns”) to exchange for guaranteed gifts.

1.2 Clients who have joined the Promotion are Participants (hereinafter the “Participants”). Participants can be both the Company’s traders and partners.

1.3 To join the Promotion, a Participant must sign up in the Personal Area and click the “Join now” button in the Giftshop section or on the Dashboard.

1.4 By clicking the button “Join now” a Participant receives two Crowns added to their balance. Participants can earn more Crowns by trading lots on real accounts (i.e. real Cent, Standard, or Pro).

1.5 Crowns can be exchanged for gifts currently available in the Personal Area, Giftshop section.

1.6 By participating in the Promotion, Participants agree to be bound by these Terms and Conditions as well as the Client Agreement available on the Company’s website (<https://hw.site/> or on any other official domain).

2. Crowns calculation

2.1 In the Promotion, Crowns are the internal currency that can be exchanged for guaranteed gifts and rewards.

2.2 The Crowns calculations are made according to the formula:

1 Crown = 1 traded lot equal to a standard lot on the Standard and Pro accounts.

2.3 On a Cent account and for specific groups of trading assets, the lot calculation is as follows:

– 1 lot on a Cent account = 0.01 lot on a Standard and Pro account;

– 1 lot of the Stocks (USA), Crypto, Indexes (Majors, FX), Energies, and Index instruments = $1 * \text{Contract size} * \text{Price} / 100,000$;

– 1 lot of the Indonesian stocks and indexes = $1 * \text{Contract size} * \text{Price} / (15\,000 * 100,000)$;

– When closing positions using 'Close by', the trading volume for such transactions is calculated as half of the volume of each position.

2.4 The Crowns are credited once at least a micro lot (0.01 of a standard lot) is traded on a Participant's real account.

2.5 Crowns’ credit and debit history is available on the Order history page, Giftshop section.

2.6 Participants can monitor their progress in the progress bar (Giftshop section) or on the Dashboard (Giftshop widget.) The progress bar in the Personal Area shows how many Crowns a Participant has now and how many they need to claim the chosen gift.

2.7 Crowns are not credited for trading on demo or bonus accounts.
